REQUEST FOR RECONSIDERATION

Applicants hereby respectfully request that the newly assigned Examiner reconsider and withdraw the finality of the outstanding Office Action. Specifically, Applicants experienced considerable difficulty in reaching the former Examiner throughout the prosecution of this case. For example, Applicants were unable to conduct an interview with the former Examiner before filing the Response dated April 28, 2003. In addition, Applicants have left several unreturned messages over the last month and a half with the former Examiner only to find out that he is no longer with the U.S. Patent and Trademark Office. Accordingly, Applicants assert that the finality of the outstanding Office Action is premature because as a question of practice there has not been a full opportunity to develop the issues in the present case.
